

# ASSEMBLY INSTRUCTIONS

Using the zip ties given, attach the two halves of the snowman's lower body.

Using the zip ties, attach the snowman's upper and lower body.

Insert the connectors on the snowman's arms and hat into the holes as shown above.

Insert the birds on the hat and hand as shown above.

Loop the hooked end of the lawn stakes into the rings at the base of the snowman. Push stakes into the ground to keep the decoration steady outdoors.
