

ASSEMBLY INSTRUCTIONS

48"H FOLDABLE CRYSTAL SNOWFLAKE

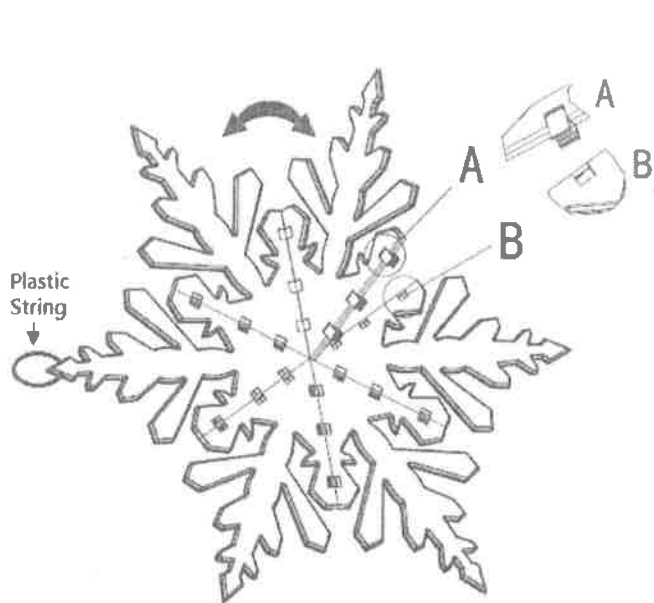

STEP 1

Unpack the product and make sure there are no damages of the snowflake parts.

STEP 2

Carefully unfold the sections of the snowflake, as shown above, on a flat and even surface.

STEP 3

After fully unfolding, make sure that each clip is securely locked into the one side that is pre-assembled. Then, carefully secure the other side of the clip to the matching catch. The clip should snap into place, but be careful not to break the clip.

STEP 4

Before connecting the product to an electrical outlet, check to make sure the entire unit is fully clipped and assembled.
