### INDOOR ASSEMBLY INSTRUCTIONS

1. Carefully remove all parts from the box and packaging.
2. Assemble the plastic stand as shown in figure 1.
3. Assemble the three metal tubes as shown in figure 1.
4. Insert the tubes into the plastic stand as shown in figure 1.
5. Place the centre loop of the 3-Dimensional Mini Light Tree on top of the metal tubes and let the tree hang down naturally as shown in figure 2.
6. Insert the star on the top of the metal tubes as shown in figure 3.

### OUTDOOR ASSEMBLY INSTRUCTIONS

1. Carefully remove all parts from box and packaging.
2. Assemble the metal stand by inserting the lower rod into the middle hole of the plate and screw the upper rod to the lower rod as shown in figure 4.
3. Push the metal stand securely into the ground ensuring that the lower rod is placed in the ground. Use a hammer to assist if necessary.
4. Assemble the three metal tubes as shown in figure 1.
5. Insert the tubes into the metal stand.
6. Place the centre loop of the 3-Dimensional Mini Light Tree on top of the metal tubes and let the tree hang down naturally as shown in figure 2.
7. Insert the star on the top of the metal tubes as shown in figure 3.
